1.0 INTRODUCTION

The Del Webb Oak Creek Community Development District (the “District”) is a local unit of special-purpose government with portions located in an unincorporated area of Lee County, Florida (the “County”). The District was established effective June 27, 2022, by Ordinance No. 22-15, and an additional 53.30 acres were added to the District boundaries on August 5, 2025, by Ordinance No. 25-15, enacted by the Board of County Commissioners of the County to provide for the construction and/or acquisition, financing, long-term administration and management of certain infrastructure of the Del Webb Oak Creek development (the “Development”).

The District contains approximately 467.25 gross acres and is planned for the following land uses:

Table 1 – Proposed Land Uses for the District

Land Use Category	Unit
40'/45' GARDEN	247 Dwelling units
50' CLASSIC	466 Dwelling units
64' ESTATE	228 Dwelling units

This Second Supplemental Special Assessment Methodology Report (the “Second Supplemental Report”), like the First Supplemental Special Assessment Methodology Report, dated February 9, 2023 (the “First Supplemental Report”), supplements master methodology as described in the Amended and Restated *Master Special Assessment Methodology Report*, dated August 11, 2025, (the “Master Report”) to provide the allocation of special assessments as it relates to the sale and issuance of proposed Special Assessment Bonds, Series 2025 (2025 Project) (the “Series 2025 Bonds”) for the financing a portion of public infrastructure improvements in the District, including but not limited to the following: stormwater management infrastructure, roadway improvements, water distribution infrastructure, and sanitary sewer infrastructure (collectively, the “Project”). These infrastructure improvements will provide special benefit to all lands in the District. Special benefit is a required determination in order to make use of the proceeds of any special assessment bonds issued by the District. The portion of the Project financed by the Series 2025 Bonds shall be referred to herein as the 2025 Project (the “2025 Project”).

The improvements comprising the Project are described below and in the Amended and Restated Engineer’s Report dated August 11, 2025 (the “Engineer’s Report”), as may be amended and prepared by Barraco and Associates, Inc. (the “District’s Engineer”). This Second Supplemental Report equitably allocates the costs being incurred by the District to provide the benefits of a portion of the Project financed by the Series 2025 Bonds to the remaining developable lands that were not previously encumbered with and assigned Series 2023 Assessments pursuant to the First Supplemental Report within the District as identified herein on **Exhibit “A”** (the “Remaining Lands”).

This Second Supplemental Report will equitably allocate the remaining costs being incurred by the District to provide the 2025 Project to all of the Remaining Lands within the District. The implementation of the public improvements comprising the 2025 Project will convey special and peculiar benefits to the Remaining Lands. The Series 2025 Bonds issued to finance the public improvements will be repaid through the levy of non-ad valorem special assessments the Remaining Lands. The proceeds from the Series 2025 Bonds will only finance a portion of the Project and the special assessments securing the Series 2025 Bonds will be levied on all 160 platted units and the 68.5 non-platted gross acres in the Remaining Lands within the District, upon the platting of the remaining 259 dwelling units, as shown in **Table C**, the debt represented by the Series 2025 Bonds will be assigned to those units on a first platted, first assigned basis. Upon final platting and assignment of the 259 remaining unplatted units and total ERUs shown in **Table C**.

2.0 PROJECTS TO BE FUNDED BY THE DISTRICT

The Project is comprised of an interrelated system of public infrastructure improvements which will serve and specially benefit all assessable lands within the District. The Project will serve all assessable lands within the District and the improvements will be interrelated such that they will reinforce one another. The total cost of the Project is currently estimated to be \$31,467,095. A detail of the estimated Project costs for the development is included herein on **Table A**. A portion the Project was previously funded by the Series 2023 Bonds (the “2023 Project”). The Series 2025 Bonds will be repaid through the levy of non-ad valorem special assessments on the remaining 160 platted units and 68.5 non-platted acres within the District until fully assigned to the remaining 259 units of the 419 planned units and total ERUs shown in **Table C**. The Project has been designed to be functional and confer special benefits to the landowners within the District. Any portion of the Project not financed through the issuance of Bonds will be paid for by Pulte Home Company, LLC, or its successors or assigns (herein the “Landowner”).

Construction and/or acquisition and maintenance obligations for the District’s proposed infrastructure improvements constituting the Project are described in the Engineer’s Report.

The construction costs for the Project identified in this Second Supplemental Report were provided by the District Engineer. Special District Services, Inc., as District Manager, makes no representation regarding the accuracy or validity of those costs and did not undertake any analysis or verification regarding such costs.

3.0 FUNDING OF IMPROVEMENTS

To defray the costs of construction and or acquisition of a portion of the Project, the District will impose non-ad valorem special assessments on all benefited real property in the District. These assessments are based on the special and peculiar benefits accruing to such property from the improvements comprising the 2025 Project financed by the Series 2025 Bonds. The use of non-ad valorem special assessments has an advantage in that the properties that receive the special benefits from the 2025 Project are the only properties that are obligated to pay for those facilities and services. Without these improvements, development of the property within the District would not be possible. The improvements, which will be funded through these special assessments, include only facilities which may be undertaken by a community development district under Chapter 190, *F.S.* This Second Supplemental Report is designed to meet the requirements of Chapters 170, 190 and 197, *F.S.*; and may be supplemented or amended from time to time.

In summary, special assessments may be levied: (1) for facilities which provide special benefits to property as distinct from general and incidental benefits, (2) only against property which receives that special benefit, (3) in proportion to the benefits received by the properties; and (4) according to fair and reasonable methods that the governing body of the jurisdiction determines. The special assessments placed upon various benefited properties in the District must be sufficient to cover the debt service of the Series 2025 Bonds that will be issued for financing all or a portion of the Project.

Until all the land within the District has been platted and sold, the assessments on the portion of land that has not been platted and sold are not fixed and determinable. The reasons for this are (1) until the lands are platted, the number of developable acres within each tract against which the assessments are levied is not determined; (2) the lands are subject to re-plat, which may result in changes in development density and product type; and (3) until the lands are sold it is unclear of the timing of the absorptions. Only after the property has been platted will the developable acreage be determined, the final plat be certain, the development density known and the product types confirmed.

4.0 ALLOCATION OF BENEFIT AND ASSESSMENTS

In developing the methodology used for special assessments in the District, two interrelated factors were used:

- A.** Allocation of Benefit: Each parcel of land, lot and/or unit within the District benefits from the construction and financing of the proposed improvements.
- B.** Allocation of Cost/Debt: The special assessments imposed on each parcel of land, lot and/or unit within the District cannot exceed the value of the benefits provided to such parcel of land, lot and/or unit.

The planned improvements comprising the Project is an integrated system of facilities designed to provide benefits to the assessable property within the District as a whole. The Project is intended to work as a total system which will provide special benefits for each unit type. The fair and reasonable method of allocating the benefit to each planned residential unit has been accomplished by assigning an *equivalent residential unit* (“ERU”) to each unit. Therefore, for the purpose of this Second Supplemental Report, each 50 foot single family residential unit will be assigned one (1) ERU; each 40 foot / 45 foot single family residential unit is defined as 0.9375 of one (1) ERU and each 64 foot single family residential unit is defined as 1.0625 ERU. Accordingly, the Project benefits the units in these same proportions resulting in the special assessments being allocated to each 40 / 45 foot, 50 foot and 64 foot single family residential dwelling unit types in these proportions. The Project Benefit allocation & the Bond Debt allocation are shown herein on **Table C** and **Table D**.

Given the approved land use plan and the type of infrastructure to be funded by the proposed special assessments, this method results in a fair allocation of benefits and an equitable allocation of costs for the Project. The special benefit received and applied to each parcel and/or residential dwelling unit/lot as a result of the construction of public infrastructure improvements will exceed the cost of such units allocated to each parcel and/or unit/lot. However, if the future platting results in changes in land use or proportion of benefit per acre and/or unit type, this allocation methodology may not be applicable and it may be necessary for the District to revise the allocation methodology.

To the extent land is sold in bulk to a third party, prior to platting, then, the District will assign debt based upon the development rights conveyed based upon the *ERU* factors as shown herein.

5.0 COLLECTION OF SPECIAL ASSESSMENTS

The proposed special assessments for the District are planned to be collected through the Uniform Method of Collection described in Chapter 197, Section 197.3632; *Florida Statutes* (“F.S.”) for platted lots, or any other legal means available to the District.

Since there are costs associated with the collection of the special assessments (whether by uniform method of collection as authorized under Chapter 197.3632, *F.S.*, or other methods allowed by Florida law), these costs must also be included in the special assessment levy. These costs generally include a \$2.50 per parcel collection fee of the County Tax Collector, a 1% service fee of the County Property Appraiser and a 4% discount for early payment of taxes. However, actual collection costs may vary from year to year depending on agreements in place with the County Tax Collector and County Property Appraiser and any statutory changes. These previously described additional costs may be reflected by dividing the annual debt service and maintenance assessment amounts by a factor of 0.95 plus \$2.50 per parcel. In the event the special assessments are direct billed, then, the collection costs and discounts may not apply.

6.0 FINANCING STRUCTURE

The estimated cost of construction for the Project is \$31,467,095. The construction program and the costs associated with the District are identified herein on **Table A**.

A portion of the capital improvements comprising the Project is assumed to be financed by the Series 2025 Bonds which, when issued, will be payable from and secured by special assessments levied annually initially against 160 of 419 planned units and 68.5 non platted acres within the District. Based on the current market conditions the total aggregate principal amount of the Series 2025 Bonds (approximately \$8,970,000) for the District is shown herein on **Table B**. The proceeds of the Series 2025 Bonds will provide a maximum of approximately \$8,213,552 for acquisition and/or construction related costs. The sizing of the Series 2025 Bonds is assumed to include a debt service reserve fund equal to 50% of the maximum annual debt service and issuance costs as shown herein on **Table B**.

7.0 MODIFICATIONS, REVISIONS AND TRUE-UP MECHANISM

Allocation of proposed costs and proposed debt, respectively shown herein on **Table C** and **Table D**, for the infrastructure improvements financed by the District for a portion of all costs of the Project (estimated at \$31,467,095) will, upon platting, be assigned to the remaining 259 of the planned 419 residential dwelling units projected to be constructed within the District and benefited by the infrastructure improvements comprising the 2025 Project. The annual debt service assessment will be approximately \$6,331 per gross acre. Based on a Series 2025 Bond size of approximately \$8,970,000 at an assumed interest rate of 6.15% the estimated annual debt service on the Bonds will be approximately \$662,154 which has not been grossed up to include the \$2.50 per parcel Tax Collector fee and 1% County Property Appraiser fee

To ensure that each residential unit is assessed no more than their pro-rata amount of the annual non-ad valorem assessments shown herein on **Table F**, the District will be required to perform a “True-Up” analysis, which requires a computation at the time of submission of each plat or re-plat to determine the potential remaining Equivalent Residential Units (“ERU”). The District shall, at the time a plat or re-plat is submitted to the County:

- A. Assume that the total number of ERUs, within each parcel, utilized as a basis for this assessment methodology is as described in Table C (“Total Assessable ERUs”).

- B. Ascertain the number of assessable ERUs, within each parcel, in the proposed plat or re-plat and all prior plats (“Planned Assessable ERUs”).
- C. Ascertain the current amount of potential remaining ERUs within each Parcel that has not yet been platted (“Remaining Assessable ERUs”).

If the Planned Assessable ERUs are equal to the Total Assessable ERUs, no action would be required at that time. However, if the sum of the Planned Assessable ERUs and the Remaining Assessable ERUs are less than the Total Assessable ERUs, the applicable landowner will be obligated by the District to remit to the District an amount of money sufficient to enable the District to retire an amount of Bonds, plus accrued interest, such that the amount of non-ad valorem assessments allocated to each Planned Assessable ERU does not exceed the amount of debt service that would have been allocated thereto, had the total number of Planned Assessable ERUs not changed from what is represented in **Table C**.

All assessments levied run with the land. A determination of a true-up payment shall be based on the terms and provisions of this Second Supplemental Report, the Master Report and the applicable assessment resolutions. It is the responsibility of the landowner of record (other than end-users unaffiliated with the Landowner) to make any required true-up payments that are due. The District will not release any liens on the property for which true-up payments are due until provision for such payment has been satisfied.

8.0 PRELIMINARY ASSESSMENT ROLL

When fully developed, the current site plan for the District will include the land uses in **Table 1**. The Series 2025 Bond will be secured by assessments assigned to the platted units and acreage described **Table F**.

WHEREAS, the proceeds of the 2025 Bonds shall also fund a debt service reserve account, pay capitalized interest, if any, and pay the costs of the issuance of the 2025 Bonds.

NOW, THEREFORE, BE IT RESOLVED by the Board as follows:

Section 1. Negotiated Limited Offering of 2025 Bonds. The District hereby finds that because of the complex nature of assessment bond financings in order to better time the sale of the 2025 Bonds and secure better interest rates, it is necessary and in the best interest of the District that the 2025 Bonds, in the aggregate principal amount of not exceeding \$12,000,000, be sold on a negotiated limited offering basis. The District hereby further finds that it will not be adversely affected if the 2025 Bonds are not sold pursuant to competitive sales.

Section 2. Purpose. The District has authorized its capital improvement plan for the development of the District, as set forth in the Engineer’s Report, and hereby authorizes the financing of a portion of the acquisition and construction of certain public infrastructure benefiting certain assessable lands within the District referred to as the 2025 Project Area by issuing the 2025 Bonds to finance a portion of such public infrastructure described in the Engineer’s Report and constituting the 2025 Project. The 2025 Project includes, but is not limited to, public roadway improvements, stormwater drainage facilities including related earthwork, water, sewer facilities, landscaping, hardscaping and irrigation in public rights of way, all as more particularly described in the Engineer’s Report.

Section 3. Sale of the 2025 Bonds. Except as otherwise provided in the last sentence of this Section 3, the proposal submitted by the Underwriter offering to purchase the 2025 Bonds at the purchase price established pursuant to the parameters set forth below and on the terms and conditions set forth in the Bond Purchase Contract (attached hereto as Exhibit A), are hereby approved and adopted by the District in substantially the form presented. Subject to the last sentence of this Section 3, the Chairperson (or, in the absence of the Chairperson, any other member of the Board) is hereby authorized to execute and deliver on behalf of the District, and the Secretary of the District is hereby authorized (if so required) to affix the seal of the District and attest to the execution of the Bond Purchase Contract in substantially the form presented at this meeting. The disclosure statements of the Underwriter, as required by Section 218.385, Florida Statutes, to be delivered to the District prior to the execution of the Bond Purchase Contract, a copy of which is attached as an exhibit to the Bond Purchase Contract, will be entered into the official records of the District. Dear Ladies and Gentlemen:

FMSbonds, Inc. (the “Underwriter”) offers to enter into this Bond Purchase Contract (the “Purchase Contract”) with Del Webb Oak Creek Community Development District (the “District”). The District is located entirely within the unincorporated area of Lee County, Florida (the “County”). This offer of the Underwriter shall, unless accepted by the District, acting through its Board of Supervisors (the “Board”), expire at 10:00 P.M. prevailing time within the jurisdiction of the District on the date hereof, unless previously withdrawn or extended in writing by the Underwriter. This Purchase Contract shall be binding upon the District and the Underwriter upon execution and delivery. Any capitalized word not defined herein shall have the meaning ascribed thereto in the Preliminary Limited Offering Memorandum (as hereinafter defined). In conformance with Section 218.385, Florida Statutes, as amended, the Underwriter hereby delivers to the District the Disclosure and Truth-In-Bonding Statements attached hereto as Exhibit A.

1. **Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the District and the District hereby agrees to sell and deliver to the Underwriter, all (but not less than all) of its §[PAR] aggregate principal amount of Del Webb Oak Creek Community Development District Special Assessment Bonds, Series 2025 (2025 Project Area) (the “Bonds”). The Bonds shall be dated their date of delivery and shall mature on the dates, shall bear interest at the rates, and shall be subject to redemption prior to maturity, all as provided in Exhibit B attached hereto. The purchase price for the Bonds shall be \$_____ (representing the §[PAR].00 aggregate principal amount of the Bonds, less original issue discount of \$_____ and less an underwriter’s discount of \$_____). The payment for and delivery of the Bonds and the other actions contemplated hereby to take place at the Closing Date (as hereinafter defined) being hereinafter referred to as the “Closing”.

2. **The Bonds.** The Bonds are to be issued by the District, a local unit of special-purpose government of the State of Florida (the “State”) created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, any successor statute thereto, the Florida Constitution, and other applicable provisions of law (collectively, the “Act”), by Ordinance No. 22-15 of the Board of County Commissioners of the County (the “County Commissioners”), enacted on June 21, 2022 and effective on June 27, 2022,

and by Ordinance 25-15 enacted by the County Commissioners on August 5, 2025 and effective on August __, 2025, which expanded the boundaries of the District by approximately 53.5+/- gross acres (collectively, the “Ordinance”). The Bonds are being issued by the District pursuant to the Act and secured pursuant to the provisions of a Master Trust Indenture dated as of February 1, 2023 (the “Master Indenture”), as supplemented by a Second Supplemental Trust Indenture dated as of September 1, 2025 (the “Second Supplemental Indenture” and, together with the Master Indenture, the “Indenture”) each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”) and Resolution No. 2022-23 and No. 2025-08 adopted by the Board of Supervisors of the District (the “Board”) on July 11, 2022 and September 8, 2025, respectively (collectively, the “Bond Resolution”). The Series 2025 Special Assessments comprising the Series 2025 Pledged Revenues for the Bonds have been levied by the District on certain assessable lands within the District specially benefitted by the 2025 Project pursuant to Resolution No. 2022-24, Resolution No. 2022-25 and Resolution No. 2022-29, adopted by the Board on July 11, 2022, July 11, 2022 and August 29, 2022, respectively and a resolution to be adopted by the Board on _____, 2025 (collectively, the “Assessment Resolutions”).

3. **Limited Offering; Establishment of Issue Price.** It shall be a condition to the District’s obligation to sell and to deliver the Bonds to the Underwriter, and to the Underwriter’s obligation to purchase, accept delivery of and pay for the Bonds, that the entire principal amount of the Bonds be issued, sold and delivered by the District and purchased, accepted and paid for by the Underwriter at the Closing and that the District and the Underwriter receive the opinions, documents and certificates described in Section 8(c) hereof.

(a) The Underwriter agrees to assist the District in establishing the issue price of the Bonds and shall execute and deliver to the District at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, in the form reasonably satisfactory to Bond Counsel, with such modifications as may be appropriate or necessary, in the reasonable judgment of the Underwriter, the District and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the public of the Bonds.

(b) The District will treat the first price at which 10% of each maturity of the Bonds (the “10% test”) is sold to the public as the issue price of that maturity. At or promptly after the execution of this Purchase Contract, the Underwriter shall report to the District the price or prices at which it has sold to the public each maturity of Bonds. For purposes of this Section, if Bonds mature on the same date but have different interest rates, each separate CUSIP number within that maturity will be treated as a separate maturity of the Bonds.

(c) The Underwriter acknowledges that sales of any Bonds to any person that is a related party to an underwriter participating in the initial sale of the Bonds to the public (each such term being used as defined below) shall not constitute sales to the public for purposes of this section. Further, for purposes of this section:

(1) “public” means any person other than an underwriter or a related party,

(2) “underwriter” means (A) any person that agrees pursuant to a written contract with the District (or with the lead underwriter to form an underwriting syndicate) to participate in the initial sale of the Bonds to the public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the public (including a member of a selling group or a party to a third-party distribution agreement participating in the initial sale of the Bonds to the public), and

(3) a purchaser of any of the Bonds is a “related party” to an underwriter if the underwriter and the purchaser are subject, directly or indirectly, to (i) more than 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (ii) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interests or profit interests of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

4. **Use of Documents.** Prior to the date hereof, the District has caused to be prepared and has provided to the Underwriter a Preliminary Limited Offering Memorandum dated [PLOM Date] (such Preliminary Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Preliminary Limited Offering Memorandum”) of the District related to the Bonds that the District has deemed final as of its date, except for certain permitted omissions (the “Permitted Omissions”), as contemplated by Rule 15c2-12 of the Securities and Exchange Commission (“Rule 15c2-12”) in connection with the limited offering of the Bonds. The Underwriter has reviewed the Preliminary Limited Offering Memorandum prior to the execution of this Purchase Contract. The District has, prior to the date hereof, authorized the Preliminary Limited Offering Memorandum to be circulated and used by the Underwriter in connection with the limited offering of the Bonds. The District shall deliver or cause to be delivered, at its expense, to the Underwriter within seven (7) business days after the date hereof but not later than the Closing Date and in sufficient time to allow the Underwriter to comply with all requirements of Rule 15c2-12 and all applicable securities laws and the rules of the Municipal Securities Rulemaking Board (the “MSRB”), a final Limited Offering Memorandum dated the date hereof (such Limited Offering Memorandum, including the cover pages and all appendices thereto, and any amendments and supplements thereto that may be authorized by the District for use with respect to the Bonds being herein collectively called the “Limited Offering Memorandum” and, together with the Preliminary Limited Offering Memorandum, the “Limited Offering Memoranda”). The Underwriter agrees to file the Limited Offering Memorandum with the MSRB not later than two (2) business days after the Closing Date. The District hereby ratifies the execution and use of the Preliminary Limited Offering Memorandum and approves the circulation and use of the Limited Offering Memorandum by the Underwriter.

B. RELIANCE

This opinion is solely for the benefit of (i) the District; (ii) the Underwriter; and (iii) the Trustee provided however that the Trustee may only rely on this opinion for the limited purposes of the opinions stated in Sections C.1, C.2, C.3 and C.9. Notwithstanding the foregoing, no attorney-client relationship has existed or exists between the undersigned and the Underwriter or Trustee in connection with the Bonds by virtue of this opinion. This opinion may not be relied on by any other party or for any other purpose without our prior written consent.

C. OPINIONS

Based on the foregoing, and subject to the qualifications and assumptions set forth herein, we are of the opinion that:

1. **Authority** – Under the Florida Constitution and laws of the State, the District has been duly established and validly exists as a local unit of special purpose government and a community development district under Chapter 190, Florida Statutes (the “Act”), with such powers as set forth in the Act, and with good, right and lawful authority: (a) to enter into and to consummate the transactions contemplated by the Bond Resolution, the Assessment Resolution, the Indenture, the Bonds and the Bond Agreements; (b) to issue the Bonds for the purposes for which they are issued; (c) to impose, levy, collect and enforce the Debt Assessments and pledge the Series 2025 Pledged Revenues to secure the Bonds as provided in

the Indenture; (d) to adopt the Bond Resolution and the Assessment Resolution; and (e) to perform its obligations under the terms and conditions of the Bond Resolution, the Assessment Resolution, the Bond Agreements, the Bonds and the Indenture.

2. ***Assessments*** – The proceedings by the District with respect to the Debt Assessments have been in accordance with Florida law. The District has taken all action necessary to authorize and execute the Assessment Resolution and to levy and impose the Debt Assessments as set forth in the Assessment Resolution, Assessment Methodology, and/or other applicable documents. The Debt Assessments constitute legal, valid, binding and enforceable first liens upon the property against which such Debt Assessments are assessed, co-equal with the lien of all state, county, district and municipal taxes and assessments, and superior in dignity to all other liens, titles and claims, until paid.
3. ***Documents*** – The (a) Bond Resolution and Assessment Resolution, (b) the Bonds, (c) the Indenture, and (d) the Bond Agreements (assuming due authorization, execution and delivery of the foregoing documents by any parties thereto other than the District) have been duly and validly authorized, executed and delivered by the District; have been duly approved and adopted and/or issued by the District; are in full force and effect; constitute legal, valid and binding obligations of the District; and, are enforceable against the District in accordance with their respective terms. All conditions prescribed in the Indenture as precedent to the issuance of the Bonds have been fulfilled.
4. ***Validation*** – The Bonds have been validated by a final judgment of the Circuit Court in and for Lee County, Florida, of which no timely appeal was filed.
5. ***Governmental Approvals*** – As of the date hereof, all necessary consents, approvals, waivers or other actions by or filings with any governmental authority or other entity that are required for: (a) the adoption of the Bond Resolution and the Assessment Resolution; (b) the issuance, sale, execution and delivery of the Bonds upon the terms set forth in the BPA, PLOM, and LOM; (c) the execution and delivery of the Indenture and Bond Agreements; and (d) the performance by the District of the transactions required hereby, have been duly obtained or made and are in full force and effect.
6. ***PLOM and LOM*** – The District has duly authorized the execution, delivery and distribution by the Underwriter of the PLOM and LOM. To our knowledge, and based upon our review of the PLOM (except for permitted omissions) and LOM and without having undertaken to determine independently the accuracy, completeness or fairness of the statements contained in the PLOM (except for permitted omissions) and LOM, and as of the date of their respective issuances, and with respect to the PLOM (except for permitted omissions), the date of the PLOM, and with respect to the LOM, the date hereof, nothing has come to our attention which would lead us to believe that the PLOM and LOM contain an untrue statement of a material fact or omit to state a material fact necessary to make the

statements contained therein, in light of the circumstances under which they were made, not misleading, provided however that the opinions stated herein extend only to the following provisions of the PLOM (except for permitted omissions) and LOM: “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Assessment Methodology / Projected Level of District Assessments,” and “– Prepayment of Series 2025 Special Assessments” “ENFORCEMENT OF ASSESSMENT COLLECTIONS,” “THE DISTRICT” (excluding the subcaption “The District Manager and Other Consultants”), “ASSESSMENT METHODOLOGY,” “AGREEMENT BY THE STATE,” “LEGALITY FOR INVESTMENT,” “LITIGATION – The District,” “CONTINUING DISCLOSURE” (as it relates to the District only), “VALIDATION,” and “AUTHORIZATION AND APPROVAL,” and further provided however that the opinions stated herein do not extend to any statements that constitute descriptions of the Bonds or the Indenture. No information or opinion is offered as to any remaining provisions of the PLOM or LOM.

7. ***Litigation*** – Based on Kutak Rock serving as the District’s Registered Agent for service of process and the fact that the District has not been served with notice, there is no litigation pending or, to the best of our knowledge, threatened against the District: (a) seeking to restrain or enjoin the issuance or delivery of the Bonds or the application of the proceeds thereof, or the imposition, levy or collection of the Debt Assessments or the Series 2025 Pledged Revenues pledged for the payment of the debt service on the Bonds; (b) contesting or affecting the authority for the Debt Assessments, the authority for the issuance of the Bonds or the validity or enforceability of the Bonds, the Indenture, the Bond Agreements or the transactions contemplated thereunder; (c) contesting or affecting the establishment or existence of the District or any of its Supervisors, officers or employees, its assets, property or condition, financial or otherwise, or contesting or affecting any of the powers of the District, including its power to enter into the Indenture or the Bond Agreements, or its power to determine, assess, levy, collect and pledge the Debt Assessments for the payment of the debt service on the Bonds; or (d) specifically contesting the exclusion from federal gross income of interest on the Bonds.

8. ***Compliance with Laws*** – To the best of our knowledge, the District is not, in any manner material to the issuance of the Bonds or the Debt Assessments, in breach of or default under any applicable provision of the Act or constitutional provision, statute, or administrative regulation of the State of Florida, or any applicable judgment or decree, any loan agreement, indenture, bond, note, resolution, agreement (including the Bond Agreements and Indenture), or any other material instrument to which the District is a party or to which the District or any of its property or assets is otherwise subject, and to the best of our knowledge, no event has occurred and is continuing which with the passage of time or the giving of notice, or both, would constitute a material default or event of default by the District under any such instrument; provided, however, that no opinion is expressed as to compliance with any state or federal tax or securities laws.

9. ***Authority to Undertake the 2025 Project*** - The District has good right and lawful authority under the Act to undertake, finance, acquire, construct, own, and operate the 2025 Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body.

D. CERTAIN ASSUMPTIONS

In rendering the foregoing opinions, we have assumed the following: (1) that all public records, certifications, agreements and other documents examined by us that have been executed or certified by public officials acting within the scope of their official capacities are authentic, truthful and accurate; (2) that copies of such public records, certifications, agreements, and other documents furnished to us are authentic and conform to the originals; (3) that all signatures on executed public records, certifications, agreements and other documents are genuine; and (4) that all public records, certifications, agreements and other documents have been properly authorized and are binding on each of the other parties thereto. Such assumptions do not apply to District documents.

E. CERTAIN QUALIFICATIONS

The foregoing opinions are subject to the following qualifications:

1. The opinions or statements expressed above are based solely on the laws of Florida in effect at the time of issuance of the Bonds. Accordingly, we express no opinion nor make any statement regarding the effect or application of the laws of the federal government (including but not limited to the Internal Revenue Code or any proposed changes thereto), or any other state or other jurisdiction.
2. Our opinion as to enforceability of any document is subject to limitations imposed by bankruptcy, insolvency, reorganization, moratorium, liquidation, readjustment of debt, or similar laws, relating to or affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), and to the exercise of judicial discretion in appropriate cases, including the fact that specific performance and other equitable remedies are granted only in the discretion of a court.
3. Nothing herein shall be construed as an opinion regarding the possible applicability of state securities or "blue sky" laws or federal securities laws, as to which no opinion is expressed.
4. We further express no opinion as to the necessity for an interest rate waiver under Florida law, or the applicability of any provision or section of the Internal Revenue Code.
5. We express no opinion and make no representations with regard to taxes, assessments (other than the Debt Assessments) or other financial information, project, statistical, or other similar information or data. We express no opinion as to compliance with any state or federal tax laws.

6. We have not reviewed, and therefore express no opinion, regarding any land use, real property or other related items, including but not limited to whether the Developer is able to convey good and marketable title to any particular real property or interest therein and related to the 2025 Project.
7. With respect to any of the opinions set forth in this letter which are based on or qualified by the phrase “to our knowledge,” the words “to our knowledge” signify that, in the course of our representation of the District, no facts have come to our attention that would give us actual knowledge that any such opinions or other matters are not accurate. Except to the extent expressly set forth herein, we have not undertaken any independent investigation to determine the existence or absence of any such facts, and no inference as to our knowledge of the existence of such facts should be drawn from the fact of our representation of the District.
8. The opinions set forth herein are based on factual representations made to us as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of a particular result, and are not binding on the courts or any other entity; rather, our opinions represent our professional judgment based on our review of existing law, and in reliance on the representations and covenants that we deem relevant to such opinions.

CERTIFICATE OF LAND BANK

VPPH Oak Creek LB LLC, a Delaware limited liability company (the “Land Bank”), DOES HEREBY CERTIFY that:

1. The Land Bank is a limited liability company organized and existing under the laws of the State of Delaware and is authorized to conduct business in the State of Florida.

2. Representatives of the Land Bank have provided information to Del Webb Oak Creek Community Development District (the “District”) to be used in connection with the offering by the District of its \$[PAR] aggregate principal amount of Special Assessment Bonds, Series 2025 (2025 Project Area), pursuant to a Preliminary Limited Offering Memorandum dated [PLOM Date] and a final Limited Offering Memorandum dated [Pricing Date] (collectively, the “Limited Offering Memoranda”).

3. Each of the Declarations of Consent to Jurisdiction of Del Webb Oak Creek Community Development District and to Imposition of Debt Special Assessments executed by the Land Bank and Pulte Home Company, LLC (the “Developer”) to be dated [Closing Date] and the Continuing Disclosure Agreement, dated [Closing Date] among the Land Bank, the Developer, the District and Special District Services, Inc., as dissemination agent (collectively, the “Land Bank Documents”), is a valid and binding obligation of the Land Bank, enforceable against the Land Bank in accordance with its terms. The execution and delivery by the Land Bank of the Land Bank Documents does not violate any judgment, order, writ, injunction or decree binding on Land Bank or any indenture, agreement, or other instrument to which the Land Bank is a party. There are no proceedings pending against or threatened in writing before any court or administrative agency relating to Land Bank which are either not covered by insurance or which singularly or collectively would have a material, adverse effect on the Land Bank’s ability to perform its obligations under the Land Bank Documents.

4. The Land Bank has reviewed and approved the Land Bank Documents and the information contained in the Limited Offering Memoranda under the captions “THE DEVELOPMENT” and “THE LAND BANK AND THE DEVELOPER” and with respect to the Land Bank and the Development (as such terms are used in the Limited Offering Memoranda) under the captions “BONDHOLDERS’ RISKS,” “LITIGATION - The Land Bank” and “CONTINUING DISCLOSURE” and warrants and represents that such information does not contain any untrue statement of a material fact and does not omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading. In addition, the Land Bank is not aware of any other information in the Limited Offering Memoranda that contains an untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading.

5. To the best of my knowledge, the Land Bank is in compliance in all material respects with all provisions of applicable law in all material matters relating to the Land Bank and the Development as described in the Limited Offering Memoranda. Except as otherwise described

in the Limited Offering Memoranda, (a) all government permits and approvals required in connection with the construction of the Development and the 2025 Project as described in the Limited Offering Memoranda, other than certain permits and approvals, which permits and approvals are expected to be received as needed, have been received; (b) we are not aware of any default of any zoning condition, land use permit or development agreement which would adversely affect the Land Bank's ability to complete development of the Development and the 2025 Project as described in the Limited Offering Memoranda and all appendices thereto; and (c) we have no actual knowledge and are not otherwise aware of any reason to believe that any permits, approvals, consents and licenses required to complete development of the Development and the 2025 Project as described in the Limited Offering Memoranda will not be obtained in due course as required by the Land Bank.

6. The Land Bank is not insolvent. The Land Bank has not made an assignment for the benefit of creditors, filed a petition in bankruptcy, petitioned or applied to any tribunal for the appointment of a custodian, receiver or any trustee or commenced any proceeding under any bankruptcy, reorganization, arrangement, readjustment of debt, dissolution or liquidation law or statute of any jurisdiction. The Land Bank has not indicated its consent to, or approval of, or failed to object timely to, any petition in bankruptcy, application or proceeding or order for relief or the appointment of a custodian, receiver or any trustee.

7. To the best of my knowledge, the levy of the Special Assessments (as defined in the Land Bank Documents) on the lands within the District will not conflict with or constitute a breach of or default under any agreement, indenture or other instrument to which the Land Bank is a party or to which the Land Bank or any of its property or assets is subject.

8. To the best of my knowledge, the Land Bank is not in default under any mortgage, trust indenture, lease or other instrument to which it or any of its assets is subject, which default would have a material adverse effect on the Series 2025 Bonds or the District.

9. To the best of my knowledge and in reliance on the environmental site assessments provided to the Land Bank, the Land Bank is not aware of any condition related to the District which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment.

As District Manager, nothing has come to our attention that would lead us to believe that the Limited Offering Memoranda, as they relate to the District, the 2025 Project, or any information provided by us, and the Assessment Methodology, as of their respective dates and as of this date, contained or contains any untrue statement of a material fact or omitted or omits to state a material fact necessary to be stated therein in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

5. The information set forth in the Limited Offering Memoranda under the subcaptions “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Assessment Methodology / Projected Level of District Assessments”, “THE DISTRICT,” “ASSESSMENT METHODOLOGY,” “FINANCIAL INFORMATION,” “LITIGATION – The District,” “DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS,” “CONTINUING DISCLOSURE,” “CONTINGENT FEES,” and in “APPENDIX D – ASSESSMENT METHODOLOGY” did not as of the respective dates of the Limited Offering Memoranda and does not as of the date hereof contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

6. To the best of our knowledge, there has been no change which would materially adversely affect the assumptions made or the conclusions reached in the Assessment Methodology and the considerations and assumptions used in compiling the Assessment Methodology are reasonable. The Assessment Methodology and the assessment methodology set forth therein were prepared in accordance with all applicable provisions of Florida law. As described in more detail in the Assessment Methodology, the benefit to the assessable lands within the District from the 2025 Project equals or exceeds the Special Assessments, and the Special Assessments are fairly and reasonably allocated across all benefitted properties within the District.

7. As District Manager for the District, we are not aware of any litigation pending or, to the best of our knowledge, threatened against the District restraining or enjoining the issuance, sale, execution or delivery of the Bonds, or in any way contesting or affecting the validity of the Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, or the pledge or application of any moneys or security provided for the payment of the Bonds, or the existence or powers of the District.

8. The Special Assessments, as initially levied, and as may be reallocated from time to time as permitted by resolutions adopted by the District with respect to the Special Assessments are sufficient to enable the District to pay the debt service on the Bonds through the final maturity thereof.

PRELIMINARY LIMITED OFFERING MEMORANDUM DATED _____, 2025

NEW ISSUE - BOOK-ENTRY ONLY

NOT RATED

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer (as such terms are herein defined) and continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2025 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes and further, interest on the Series 2025 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture.

* Preliminary, subject to change.

Proceeds of the Series 2025 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing the 2025 Project (as hereinafter defined), (ii) the funding of interest on the Series 2025 Bonds through at least May 1, 2026, (iii) the funding of the Series 2025 Reserve Account in an amount equal to the initial Series 2025 Reserve Requirement (as hereinafter defined) and (iv) the payment of the costs of issuance of the Series 2025 Bonds. The Series 2025 Bonds are subject to optional, mandatory sinking fund and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See “DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions” herein.

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, LEE COUNTY, FLORIDA (THE “COUNTY”), THE STATE OF FLORIDA (THE “STATE”), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

THE SERIES 2025 BONDS AND THE SERIES 2025 SPECIAL ASSESSMENTS DO NOT CONSTITUTE INDEBTEDNESS OF, AND ARE NOT GUARANTEED BY, THE DEVELOPER, THE LAND BANK OR PULTE (AS SUCH TERMS ARE DEFINED HEREIN).

The Series 2025 Bonds involve a degree of risk (see “BONDOWNERS’ RISKS” herein) and are not suitable for all investors (see “SUITABILITY FOR INVESTMENT” herein). The Underwriter named below is limiting this offering to “accredited investors” within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. The Series 2025 Bonds are not credit enhanced or rated and no application has been made for credit enhancement or a rating with respect to the Series 2025 Bonds.

This cover page contains information for quick reference only. It is not a summary of the Series 2025 Bonds. Investors must read the entire Limited Offering Memorandum to obtain information essential to the making of an informed investment decision.

(LEE COUNTY, FLORIDA)
SPECIAL ASSESSMENT BONDS, SERIES 2025
(2025 PROJECT AREA)

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Del Webb Oak Creek Community Development District (the “District”) of its \$8,970,000* Special Assessment Bonds, Series 2025 (2025 Project Area) (the “Series 2025 Bonds”).

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), Ordinance No. 22-15 enacted by the Board of County Commissioners of Lee County, Florida (the “County Commissioners”) on June 21, 2022 and effective on June 27, 2022 and Ordinance 25-15 enacted by the County Commissioners on August 5, 2025 and effective on August __, 2025, which expanded the boundaries of the District by approximately 53.3+/- gross acres. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 467.25+/- gross acres of land (the “District Lands”) located entirely within the unincorporated area of Lee County, Florida (the “County”). The District Lands are being developed as a residential community known as “Del Webb Oak Creek” (the “Development”). Land development associated with the Development is occurring in phases. Phase one of the Development contains 233 lots and phase two of the Development contains 289 lots (the “2023 Project Area”). Phases Three and Four (as such terms are hereinafter defined) of the Development are planned to contain 419 residential units (the “2025 Project Area”). See “THE DEVELOPMENT – Development Plan / Status” herein.

The Series 2025 Bonds will be secured by the Series 2025 Special Assessments (as hereinafter defined) which will be levied on the 160 platted lots within Phase Three and initially on the remaining 68.5+/- unplatted gross acres of land within Phase Four until such time as the remaining 259 planned lots within Phase Four are platted. As platting of the remaining 259 lots within Phase Four occurs, the Series

* Preliminary, subject to change.

2025 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis. See “APPENDIX D – ASSESSMENT METHODOLOGY” for more information.

The District previously issued Series 2023 Bonds (as hereinafter defined) to finance certain public improvements associated with the 2023 Project Area, secured by Special Assessments levied on the assessable lands within the 2023 Project Area (the “Series 2023 Special Assessments”). The Series 2025 Pledged Revenues are not pledged to the payment of the principal of and interest on the Series 2023 Bonds, and the Series 2023 Special Assessments securing the Series 2023 Bonds are not pledged to the payment of the principal of and interest on the Series 2025 Bonds. After the issuance of the Series 2025 Bonds, the Series 2025 Special Assessments will be the only debt assessments levied on the lands within the 2025 Project Area. The Series 2023 Special Assessments are the only debt assessments levied on the lands within the 2023 Project Area.

VPPH Oak Creek LB LLC, a Delaware limited liability company (the “Land Bank”) and Pulte Home Company, LLC, a Michigan limited liability company (the “Developer”) are the owners of the assessable land in the District. The Land Bank has entered into the Construction Agreement with the Developer pursuant to which the Developer will manage the installation of infrastructure improvements supporting 670 lots within the Development (inclusive of ____ lots of the 419 lots planned within the 2025 Project Area) and the Land Bank is obligated to reimburse the Developer for the associated costs incurred not funded with the proceeds of the Series 2025 Bonds. In addition, the Land Bank has entered into the Option Agreement with the Developer pursuant to which the Developer has the option to purchase 670 developed lots within Development (inclusive of ____ lots of the 419 lots within the 2025 Project Area) in a series of takedowns. The Developer will construct and market residential units for sale to homebuyers. As of the date hereof, the Land Bank owns ____ lots in the 2025 Project Area and the Developer owns the remaining ____ lots within the 2025 Project Area. See “THE DEVELOPMENT” and “THE LAND BANK AND THE DEVELOPER” herein for more information.

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2022-23 and No. 2025-08 adopted by the Board of Supervisors of the District (the “Board”) on July 11, 2022, and September 8, 2025, respectively (collectively, the “Bond Resolution”), and a Master Trust Indenture, dated as of February 1, 2023 (the “Master Indenture”), as supplemented by a Second Supplemental Trust Indenture dated as of September 1, 2025 (the “Second Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (“the Trustee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE” herein for more information.

Proceeds of the Series 2025 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing a portion of the 2025 Project (as hereinafter defined), (ii) the funding of interest on the Series 2025 Bonds through at least May 1, 2026, (iii) the funding of the Series 2025 Reserve Account in an amount equal to the initial Series 2025 Reserve Requirement (as hereinafter defined) and (iv) the payment of the costs of issuance of the Series 2025 Bonds. See “THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. “Series 2025 Pledged Revenues” shall mean with respect to the Series 2025 Bonds (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within the 2025 Project Area within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established

with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Land Bank, the Developer, the Development, the Capital Improvement Plan, the 2025 Project, summaries of certain terms of the Series 2025 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes, and all references to the Series 2025 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The Series 2025 Bonds will mature, subject to the redemption provisions set forth herein, on the dates and in the amounts set forth on the inside cover page hereof.

The Series 2025 Bonds shall be dated as of the date of initial delivery. Regularly scheduled interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. “Interest Payment Date” means May 1 and November 1 of each year, commencing May 1, 2026 and any date principal of the Series 2025 Bonds is paid including on any Quarterly Redemption Date. Interest on the Series 2025 Bonds will be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to May 1, 2026, in which case from the date of initial delivery, or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2025 Bonds will be computed in all cases on the basis of a 360-day year of twelve 30-day months. “Quarterly Redemption Date” means February 1, May 1, August 1 and November 1 of any year.

Upon initial issuance, the ownership of the Series 2025 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company (“DTC”), and purchases of beneficial interests in the Series 2025 Bonds will be made in book-entry only form. The Series 2025 Bonds will initially be sold only to “accredited investors” within the meaning under Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder, although there is no limitation on resales of the Series 2025 Bonds. See “DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System” and “SUITABILITY FOR INVESTMENT” herein.

U.S. Bank Trust Company, National Association is initially serving as the Trustee, Registrar and Paying Agent for the Series 2025 Bonds.

Redemption Provisions

Optional Redemption. The Series 2025 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after November 1, 20__ (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Mandatory Sinking Fund Redemption. The Series 2025 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2025 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (taking into account the credit from the Series 2025 Reserve Account pursuant to the Second Supplemental Indenture) following the payment in whole or in part of the Series 2025 Special Assessments on any assessable property within the 2025 Project Area within the District in accordance with the provisions of the Second Supplemental Indenture;

(ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2025 Rebate Fund, the Series 2025 Costs of Issuance Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture;

(iii) from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the 2025 Project (including any amounts transferred from the Series 2025 Reserve Account) all of which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase any Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2025 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited. If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Series 2025 Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Series 2025 Bonds for which such funds are sufficient, selecting the Series 2025 Bonds to be redeemed randomly from among all such Series 2025 Bonds called for redemption on such date, and among different maturities of Series 2025 Bonds in the same manner as the initial selection of Series 2025 Bonds to be redeemed, and from and after such redemption date, interest on the Series 2025 Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Series 2025 Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Series 2025 Bonds not been called for redemption.

Purchase of Series 2025 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2025 Sinking Fund Account to the purchase of Series 2025 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments

(from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2025 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE OWNERS OR HOLDERS OF THE SERIES 2025 BONDS OR REGISTERED OWNERS OF THE SERIES 2025 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

The District can make no assurances that DTC will distribute payments of principal of, redemption price, if any, or interest on the Series 2025 Bonds to the Direct Participants, or that Direct and Indirect Participants will distribute payments of principal of, redemption price, if any, or interest on the Series 2025 Bonds or redemption notices to the Beneficial Owners of such Series 2025 Bonds or that they will do so on a timely basis, or that DTC or any of its Participants will act in a manner described in this Limited Offering Memorandum. The District is not responsible or liable for the failure of DTC to make any payment to any Direct Participant or failure of any Direct or Indirect Participant to give any notice or make any payment to a Beneficial Owner in respect to the Series 2025 Bonds or any error or delay relating thereto.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE

TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE “STATE”), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. “Series 2025 Pledged Revenues” shall mean with respect to the Series 2025 Bonds (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within the 2025 Project Area within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The “Series 2025 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the 2025 Project Area within the District as a result of the District’s acquisition and/or construction of the 2025 Project. The Series 2025 Special Assessments correspond in amount to the debt service on the Series 2025 Bonds and are designated as such in the Assessment Methodology. The Assessment Methodology, which describes the methodology for allocating the Series 2025 Special Assessments to the assessable lands within the District, is included as APPENDIX D hereto. The Series 2025 Special Assessments were levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the Second Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Special Assessments will constitute a lien against the land as to which the Series 2025 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments will initially be levied on the 160 platted lots within Phase Three and initially on the remaining 68.5+/- unplatted gross acres of land within Phase Four until such time as the remaining 259 planned lots within Phase Four are platted. As platting of the remaining 259 lots within Phase Four occurs, the Series 2025 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis. A final plat for the 160 lots within Phase Three was recorded on May 1, 2025. Assuming that all of the 419 residential units within the 2025 Project Area are developed and platted, then the Series 2025 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE

DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

*Preliminary, subject to change.

** This amount is grossed up to include \$2.50 per parcel collection fee from the County Tax Collector, 1% service fee of the County Property Appraiser and 4% for early payment of taxes.

The District will continue levying assessments to cover its operation and maintenance costs that will be approximately \$394.22 per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to range from approximately \$4,541 to 4,816 per residential unit annually and a one-time amenity fee currently estimated to be approximately \$3,000 per residential unit; which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 14.4030 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the 2025 Project Area within the District which secure the Series 2025 Special Assessments until the Series 2025 Special Assessments are Substantially Absorbed. “Substantially Absorbed” means the date at least 75% of the principal portion of the Series 2025 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District shall present the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same lands subject to the Series 2025 Special Assessments, at any time upon the written consent of the Majority Holders.

Covenant Against Sale or Encumbrance

In the Indenture, the District will covenant that (a) except for those improvements comprising the 2025 Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the 2025 Project or any part thereof. See “APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE” herein for more information.

Series 2025 Reserve Account

The Indenture establishes a Series 2025 Reserve Account within the Debt Service Reserve Fund for the Series 2025 Bonds. The Series 2025 Reserve Account will, at the time of delivery of the Series 2025 Bonds, be funded from a portion of the net proceeds of the Series 2025 Bonds in an amount equal to the initial Series 2025 Reserve Requirement. “Series 2025 Reserve Requirement” or “Reserve Requirement” shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2025 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions #1, the Series 2025 Reserve Requirement shall be reduced to an amount equal to twenty-five percent (25%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2025 Bonds. Upon satisfaction of the Release Conditions #2, the Series 2025 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2025 Bonds. If a portion of the Series 2025 Bonds are redeemed pursuant to the certain provisions of the Second Supplemental Indenture, the Reserve Requirement shall be recalculated after taking into account such extraordinary mandatory redemption. Any amount in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds be used to pay principal of and interest on the Series 2025 Bonds at that time. The initial Series 2025 Reserve Requirement shall be equal to \$_____.

“Release Conditions #1” shall mean collectively: (i) all planned lots have been developed and platted, as certified by the District Manager in writing and upon which the Trustee may conclusively rely, and (ii) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

“Release Conditions #2” shall mean collectively (i) satisfaction of Release Conditions #1, (ii) all planned lots that are subject to the Series 2025 Special Assessments contain homes that have each received a certificate of occupancy, (iii) all of the principal portion of the Series 2025 Special Assessments has been assigned to such homes, and (iv) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings to be transferred to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments (as a result of non-payment of the Series 2025 Special

Assessments) and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of the Second Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that the Developer or any other landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the 2025 Project Area within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred to the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the provisions of the Second Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions #1 or Release Conditions #2, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition submitted to the District by the Developer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions ("Unfunded Requisition"). In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2 as evidenced by the written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to either twenty-five percent (25%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager, upon satisfaction of Release Conditions #1 or ten percent (10%) upon satisfaction of Release Conditions #2 of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of satisfaction of Release Conditions #1 or Release Conditions #2 shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of the Second Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2025 Reserve Account is less than the applicable Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Series 2025 Reserve Requirement and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Series 2025 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the May 1, which is the principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund, the Series 2025 Bond Redemption Account and the Series 2025 Reserve Account only in Government Obligations and certain types of securities listed within the definition of Investment Securities set forth in the Master Indenture. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2025 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain resulting from any investment or sale. The Trustee may make any permitted investments through its own bond department or investment department. The Trustee shall value the assets in each of the Funds and Accounts forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date), shall provide the District a report of the status of each Fund and Account as of the valuation date. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE" hereto.

Covenant to Levy the Series 2025 Special Assessments

The District has covenanted to levy the Series 2025 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2025 Bonds when due. If any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case such second Series 2025 Special Assessment shall be annulled, the District shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

Prepayment of Series 2025 Special Assessments

Pursuant to the Indenture, at any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof (if not collected pursuant to the Uniform Method (as hereinafter defined), as herein described), or as a result of a true-up payment, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessments by paying or causing

there to be paid, to the District all or a portion of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2025 Special Assessments owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2025 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with the Second Supplemental Indenture and the resulting redemption of the Series 2025 Bonds in accordance with the Second Supplemental Indenture, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the District upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2025 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2025 Bonds, there will be sufficient Series 2025 Pledged Revenues to pay the principal and interest, when due, on all Series 2025 Bonds that will remain Outstanding.

Pursuant to the Act, an owner of property subject to the levy of Series 2025 Special Assessments may pay the entire balance of the Series 2025 Special Assessments remaining due, without interest, within thirty (30) days after the 2025 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2025 Project pursuant to Chapter 170.09, Florida Statutes. Each of the Land Bank and the Developer, as the owner of the property within the District, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2025 Bonds.

Any prepayment of Series 2025 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2025 Bonds as indicated under “DESCRIPTION OF THE SERIES 2025 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2025 Special Assessments does not entitle the owner of the property to a discount for early payment.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. “Affected Bonds” shall mean each Series of Bonds, including, but not limited to, the Series 2025 Bonds, secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below). “Affected Special Assessments” shall mean the Special Assessments, including, but not limited to, the Series 2025 Special Assessments, levied against any Insolvent Taxpayer’s property and pledged under one or more Supplemental Indentures as security for the Affected Bonds. The District agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Indenture, the District acknowledges and agrees that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2025 Special Assessments relating to the Series 2025 Bonds Outstanding whether such claim is pursued by the District or the Trustee.

Events of Default and Remedies

Events of Default Defined. The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2025 Bonds:

(a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2025 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement of the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2025 Special Assessments are levied to secure the Series 2025 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series 2025 Bonds shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2025 Bonds agree to such redemption.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2025 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry

out any agreements with, or for the benefit of, the Series 2025 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2025 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the collection of Series 2025 Special Assessments imposed on the assessable lands within the District specially benefited by the 2025 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D: ASSESSMENT METHODOLOGY.”

The imposition, levy, and collection of Series 2025 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Lee County Tax Collector (“Tax Collector”) or the Lee County Property Appraiser (“Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect the Series 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the Series 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Special Assessments to be valid, the Series 2025 Special Assessments must meet two requirements: (1) the benefit from the 2025 Project to the lands subject to the Series 2025 Special Assessments must exceed or equal the amount of the Series 2025 Special Assessments; and (2) the Series 2025 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Methodology Consultant, to be delivered at closing of the Series 2025 Bonds, will certify that these requirements have been met with respect to the Series 2025 Special Assessments. In the

event that the Series 2025 Special Assessments are levied based on the assumptions that future contributions will be made, the Series 2025 Special Assessments may need to be reallocated in the event such contributions are not made.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2025 Special Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” Initially, and for undeveloped properties owned by the Developer, the Land Bank and subsequent landowners, the District will directly issue annual bills to landowners requiring payment of the Series 2025 Special Assessments and will enforce that bill through foreclosure proceedings. See “Assessment Methodology” and “APPENDIX D: ASSESSMENT METHODOLOGY.” As lands are developed, the Series 2025 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

THERE CAN BE NO ASSURANCE THAT ANY SALE OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Chapter 170, *Florida Statutes*, provides that the Series 2025 Special Assessments constitute a lien on the real property within the District co-equal with all State, County, district and municipal taxes, superior in dignity to all other liens, titles and claims on such real property other than certain federal tax liens, until paid, and that the Series 2025 Special Assessments may be collected as and when needed in an amount sufficient to pay the principal of and interest on the Series 2025 Bonds when due. ALTHOUGH THE LIEN AND THE PROCEEDS OF THE SERIES 2025 SPECIAL ASSESSMENTS WILL SECURE THE SERIES 2025 BONDS, AND SAID LIEN AND PROCEEDS OF THE SERIES 2025 SPECIAL ASSESSMENTS ARE PLEDGED TO THE SERIES 2025 BONDS, THE LIEN OF THE SERIES 2025 SPECIAL ASSESSMENTS MAY BE ON THE SAME PROPERTY AS, AND THEREFOR OVERLAP AND BE CO-EQUAL WITH, THE LIENS IN FAVOR OF OTHER ASSESSMENTS AND/OR TAXES WHICH HAVE BEEN OR MAY BE IMPOSED BY THE DISTRICT, THE COUNTY OR OTHER UNITS OF LOCAL GOVERNMENT HAVING ASSESSMENT POWERS WITHIN THE DISTRICT.

Collection and Enforcement of Assessments; Uniform Method Procedure

The Second Supplemental Indenture provides that, when permitted by applicable law, the Series 2025 Special Assessments levied on platted lots and pledged to secure the Series 2025 Bonds shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635, *Florida Statutes*, (the “Uniform Method”) unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2025 Bonds or the timing for using the Uniform Method will not allow for using such method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, “Taxes and Assessments”), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and

assessments – including the Series 2025 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service requirements on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of “tax certificates,” as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of “tax certificates” and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court (the "Clerk"), the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the Clerk shall enter the land on a list entitled “lands available for taxes” and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See “BONDOWNERS’ RISKS.”

Collection and Enforcement of Assessments; Direct Billing & Foreclosure Procedure

The Second Supplemental Indenture provides that, when permitted by applicable law, Series 2025 Special Assessments levied on unplatted lots or lands and pledged to secure the Series 2025 Bonds shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method (discussed hereinbelow), in each case unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2025 Bonds. A proportionate amount of Series 2025 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date.

As noted above, and pursuant to Chapters 170 and 190, Florida Statutes, the District may directly levy, collect and enforce the Series 2025 Special Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of such Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be

demand for any foreclosed lands sufficient to repay the Series 2025 Special Assessments. See “BONDOWNERS’ RISKS.”

Certain mortgage lenders have, in recent foreclosure initiated pursuant to Section 170.10, Florida Statutes, alleged in defense that a community development district foreclosing on land subject to an assessment lien must wait a minimum of one (1) year from the date that any assessment or installment thereof, becomes delinquent. At least one (1) Circuit Court is known to have concluded that a community development district is authorized to foreclose pursuant to Chapter 170, Florida Statutes, and, therefore, is not required to wait a minimum of one (1) year; however, the District cannot guarantee the outcome of any legal proceeding in which a similar defense is pled.

BONDOWNERS’ RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings in this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

Concentration of Land Ownership

As of the date hereof, the Land Bank and the Developer own all of the lands within the District, which are the lands that will be subject to the Series 2025 Special Assessments securing the Series 2025 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” herein. Payment of the Series 2025 Special Assessments is primarily dependent upon their timely payment by the Land Bank, the Developer and subsequent landowners in the District. See “THE LAND BANK AND THE DEVELOPER” herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Land Bank, the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds as such bankruptcy could negatively impact the ability of: (i) the Land Bank, the Developer and any other landowner being able to pay the Series 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Land Bank, the Developer or an entity affiliated with the Land Bank or the Developer until such time lots are platted, unless the Trustee at the direction of the Majority Holders directs the District otherwise or the timing for using the Uniform Method will not yet allow for using such method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments if not being

collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

Series 2025 Special Assessments are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2025 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the District as a result of implementation and development of the 2025 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2025 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2025 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2025 Special Assessments, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

Neither the Land Bank, the Developer nor any other subsequent landowner within the District has any contractual obligation to pay the Series 2025 Special Assessments. As described herein, the Series 2025 Special Assessments are an imposition against the land only. Neither the Land Bank, the Developer nor any other subsequent landowner is a guarantor of payment of any Series 2025 Special Assessment and the recourse for the failure of the Land Bank, the Developer or any other landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land as described herein.

Regulatory and Environmental Risks

The development of the Development is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands including the 2025 Project. See "THE DEVELOPMENT – Development Approvals," and "– Environmental" herein for more information.

The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by

environmental factors. Should such land be contaminated by hazardous materials, this could materially and adversely affect the value of the lands, which could materially and adversely affect the success of the development of the Development and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental,” the Land Bank and the Developer will represent that it they are not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or surrounding areas and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District lands.

Catastrophic Event Risks

The value of the lands in the District could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support the development of the lands in the District. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured and the District’s casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Land Bank and the Developer have the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of specially benefited land to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Special Assessments. In addition, lands within the District may also be subject to assessments by property and homeowner associations.

Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2025 Special Assessment even though the landowner is not contesting the amount of the Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2025 Bonds

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2025 Bonds. Because the Series 2025 Bonds are being sold pursuant to exemptions from registration under applicable securities laws, no secondary market may develop and an owner may not be able to resell the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2025 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2025 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS” and “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein. If the District has difficulty in collecting the Series 2025 Special Assessments, the Series 2025 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments if the Series 2025 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to

request the Series 2025 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2025 Bond proceeds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that such

districts must have public electors within five or six years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the district. The District has not yet reached the minimum threshold of 250 qualified electors required under the Act to begin electing qualified electors to the Board. Currently, all of the current members of the Board are employees of, or affiliated with, the Land Bank and the Developer. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Federal Tax Reform

Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. See also “TAX MATTERS.”

Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project Area

Neither the Developer nor the Land Bank will enter into a completion agreement with the District with respect to any unfinished portions of the 2025 Project not funded with the proceeds of the Series 2025 Bonds. Accordingly, there can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2025 Project, that the District will be able to raise the moneys necessary to complete the 2025 Project. Pursuant to the Second Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations, secured by special assessments on lands subject to the Series 2025 Special Assessments until the Series 2025 Special Assessments are Substantially Absorbed. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Obligations” for more information. There can be no assurance that the Developer nor the Land Bank will have sufficient resources to complete the 2025 Project. See “THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT” and “THE DEVELOPMENT” herein for more information.

Neither the Developer nor the Land Bank will be executing a collateral assignment and assumption of development rights with respect to the development of the Development. Accordingly, to the extent that an Event of Default occurs with respect to the Series 2025 Bonds and the lands within the District are foreclosed upon (if the Series 2025 Special Assessments are not being collected pursuant to the Uniform Method), the landowner acquiring such lands in event of such foreclosure may not acquire all of the development entitlements necessary to complete the development of the 2025 Project to the extent such development entitlements do not run with the District lands.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have

on the security for the Series 2025 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

Payment of Series 2025 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property within District because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will likely not, pursuant to its own rules and regulations, be liable to pay the Series 2025 Special Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the Land Bank, the timely and successful completion of the 2025 Project Area and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2025 Special Assessments by owners of the property within the Development or from excess moneys in the Series 2025 Acquisition and Construction Account after the completion of the 2025 Project. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and initial owners of any Premium Bonds (as defined herein) would receive less than the price they paid for the Series 2025 Bonds. See “DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments” herein for more information.

THE DISTRICT

General Information

The District was established by Ordinance No. 22-15 enacted by the Board of County Commissioners of Lee County (“County Commissioners”) on June 21, 2022 and effective June 27, 2022 and by Ordinance 25-15 enacted by the County Commissioners on August 5, 2025 and effective on August __, 2025, which expanded the boundaries of the District by approximately 53.3+/- gross acres. The boundaries of the District include approximately 467.25+/- gross acres of land located entirely within the unincorporated area of the County and are currently being developed as an 941-unit age-restricted residential community. See “THE DEVELOPMENT” herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors, as the governing body, the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the “Board”), which is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Scott Brooks*	Chairperson	November, 2026
Laura Ray*	Vice Chairperson	November, 2028
Patrick Butler*	Assistant Secretary	November, 2026
Naomi Robertson*	Assistant Secretary	November, 2026
Kim Morton*	Assistant Secretary	November, 2028

* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida’s open meeting or “Sunshine” law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Special District Services, Inc., Palm Beach Gardens, Florida, to serve as its district manager (“District Manager”). The District Manager’s office is located at 2501 A Burns Road, Palm Beach Gardens, Florida 33410.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Barraco and Associates, Inc., Fort Myers, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as methodology consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2025 Bonds.

Prior Indebtedness

The District previously issues its \$12,585,000 Del Webb Oak Creek Community Development District Special Assessment Bonds, Series 2023 (2023 Project) (the “Series 2023 Bonds”), currently outstanding in the aggregate principal amount of \$12,170,000, issued to finance certain improvements associated with the 2023 Project Area (the “2023 Project”).

The Series 2023 Bonds are secured by Special Assessments levied on the assessable lands within the 2023 Project Area (the “Series 2023 Special Assessments”). The Series 2025 Pledged Revenues are not pledged to the payment of the principal of and interest on the Series 2023 Bonds, and the Series 2023 Special Assessments securing the Series 2023 Bonds are not pledged to the payment of the principal of and interest on the Series 2025 Bonds. After the issuance of the Series 2025 Bonds, the Series 2025 Special Assessments will be the only debt assessments levied on the lands within the 2025 Project Area. The Series 2023 Special Assessments are the only debt assessments levied on the lands within the 2023 Project Area.

THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT

Barraco and Associates, Inc. (the “District Engineer”) prepared a report entitled Amended and Restated Engineer’s Report for Del Webb Oak Creek Community Development District dated April 14, 2025, revised on August 11, 2025, as may be further supplemented and amended from time to time (the “Engineer’s Report”). The Engineer’s Report sets forth the public infrastructure improvements necessary for the development of the 941 residential units. The District Engineer, in the Engineer’s Report estimates that the public infrastructure associated with the Development totals approximately \$31,467,095, as more particularly described below (the “Capital Improvement Plan”). See “APPENDIX C: ENGINEER’S REPORT” for more information.

The District Lands contain approximately 467.25+/- acres and are currently planned to contain 941 lots. Land development associated with the Development is occurring in phases. Phase one of the Development contains 233 lots and phase two of the Development contains 289 lots (the “2023 Project Area”). Phases Three and Four of the Development are planned to contain 419 residential units (the “2025 Project Area”).

The District previously issued its Series 2023 Bonds to finance a portion of the Capital Improvement Plan (the “2023 Project”). The 2023 Project is complete and all 522 lots planned within the 2023 Project Area have been developed and platted. See “THE DEVELOPMENT – Update on Prior Phases” herein for more information.

Net Proceeds from the Series 2025 Bonds will finance a portion of the Capital Improvement Plan not funded by the Series 2023 Bonds (the “2025 Project”).

Land development associated with Phase Four is expected to commence in January 2027 and is expected to be completed by August 2027. As of the date hereof, the Developer has spent approximately \$___ million toward land development activity associated with [the Development/the 2025 Project Area], a portion of which includes the 2025 Project. The net proceeds of the Series 2025 Bonds to be deposited into the Series 2025 Acquisition and Construction Account will be approximately \$8.21 million* and such proceeds will be used by the District towards the construction and/or acquisition of the 2025 Project and any additional moneys needed to complete the 2025 Project. ASSESSMENT METHODOLOGY

General

The Amended and Restated Master Special Assessment Methodology Report, dated August 11, 2025 (the “Master Methodology”), as may be supplemented from time to time, and as supplemented by the Second Supplemental Special Assessment Methodology Report to be dated the sale date of the Series 2025 Bonds (the “Supplemental Methodology” and together with the Master Methodology, the “Assessment Methodology”), which describes the methodology for allocation of the Series 2025 Special Assessments to lands within the 2025 Project Area, has been prepared by Special District Services, Inc., Palm Beach Gardens, Florida (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2025 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2025 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments will initially be levied on the 160 platted lots within Phase Three and initially on the remaining 68.5+/- unplatted gross acres of land within Phase Four until such time as the remaining 259 planned lots within Phase Four are platted. As platting of the remaining 259 lots within Phase Four occurs, the Series 2025 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis. A final plat for the 160 lots within Phase Three was recorded on May 1, 2025. Assuming that all of the 419 residential units within the 2025 Project Area are developed and platted, then the Series 2025 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

Distinctive – 50’	218	1,667.24	21,424.09

^{*}Preliminary, subject to change.

^{**} This amount is grossed up to include \$2.50 per parcel collection fee from the County Tax Collector, 1% service fee of the County Property Appraiser and 4% for early payment of taxes.

The District will continue levying assessments to cover its operation and maintenance costs that will be approximately \$394.22 per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to range from approximately \$4,541 to 4,816 per residential unit annually and a one-time amenity fee currently estimated to be approximately \$3,000 per residential unit; which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 14.4030 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied

by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

True-Up Mechanism

The Assessment Methodology sets forth a “true-up mechanism” which provides that the debt per lot on unplatted or replatted lands are never allowed to increase above its maximum debt per lot level. If the total anticipated assessment revenue to be generated from the unplatted or replatted property is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount, then a debt reduction payment by the Land Bank or the Developer, as applicable, in the amount necessary to reduce the par amount of the Outstanding Series 2025 Bonds to a level that will be supported by the new maximum annual debt service, plus accrued interest will be required. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2025 Bonds. The Land Bank is expected to enter into a True-up Agreement in connection with its obligations to pay true-up payments. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism”.

Phases Three and Four of the Development are planned to contain 419 residential units (the “2025 Project Area”).

The District previously issued its Series 2023 Bonds to finance a portion of the Capital Improvement Plan (the “2023 Project”). The 2023 Project is complete and all 522 lots planned within the 2023 Project Area have been developed and platted. See “THE DEVELOPMENT – Update on Prior Phases” herein for more information.

The Series 2025 Bonds will be secured by the Series 2025 Special Assessments which will initially be levied on the 160 platted lots within Phase Three and initially on the remaining 68.5+/- unplatted gross acres of land within Phase Four until such time as the remaining 259 planned lots within Phase Four are platted. As platting of the remaining 259 lots within Phase Four occurs, the Series 2025 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis, as set forth in the Assessment Methodology attached hereto. See “APPENDIX D – ASSESSMENT METHODOLOGY” attached hereto and “– Taxes, Fees and Assessments” herein for more information. A final plat for the 160 lots within Phase Three was recorded on May 1, 2025.

As of the date hereof, the Land Bank owns 285 lots in the 2025 Project Area and the Developer owns the remaining 134 lots within the 2025 Project Area. See “THE LAND BANK AND THE DEVELOPER” herein for more information.

The target market for the Development consists of retirees and empty-nesters. The Development will contain single-family detached product types on three different lot sizes. Starting selling prices for single-family homes are expected to range from approximately \$333,990 to \$844,990 and range in square feet from approximately 1,405 square feet to 3,970 square feet. See “— Residential Product Offerings” herein.

Update on Prior Phases

The District previously issued its Series 2023 Bonds to finance the 2023 Project. The 2023 Project is complete and all 522 lots planned within the 2023 Project Area have been developed and platted. As of July 2025, approximately 254 homes within the 2023 Project Area have closed with homebuyers and an additional 29 homes are under contract pending closing.

Land Acquisition and Option Agreement

The Developer acquired approximately 413.95+/- gross acres within the Development on August 10, 2021, for approximately \$24.7 million and on December 16, 2022, sold such lands within to the Land Bank for approximately \$27 million. The Developer acquired the remaining approximately 53.3+/- gross

acres within the Development on July 28, 2023, for approximately \$3.8 million. There are currently no mortgages on the lands within the Development.

The Land Bank has entered into a Construction Agreement dated December 16, 2022 (the “Construction Agreement”) with the Developer pursuant to which the Developer will manage the installation of infrastructure improvements supporting 670 lots within the Development (inclusive of 285 lots of the 419 lots within the 2025 Project Area) and the Land Bank is obligated to reimburse the Developer for the associated costs incurred not funded with the proceeds of the Series 2025 Bonds. Pursuant to the Construction Agreement, the Developer is obligated to complete the infrastructure budget in the amount of \$11,423,224, including any cost overruns.

The Developer and the Land Bank entered into an Option Agreement dated December 16, 2022 (the “Option Agreement”). Pursuant to the Option Agreement, the Developer has paid the Land Bank an option payment of \$4,807,456.57 (the “Option Payment”) for the right for the Developer to acquire 670 residential units (inclusive of 285 residential units of the 419 residential units planned within the 2025 Project Area) of the 941 residential units planned for the Development at approximately \$46,196.72 per forty-foot lot, \$56,814.35 per fifty-foot lot, and \$70,847.42 per sixty-five foot lot.

The Option Payment is nonrefundable except in the event of a default by the Land Bank and is to be applied against lot takedowns in accordance with the terms of the Option Agreement. The initial takedown of 29 lots within the 2025 Project Area is expected to occur in October 2026 and the remaining takedowns are required to occur every three months thereafter, with the final takedown expected to occur in December 2027. The Developer has the right to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement at any time upon delivery of written notice to the Land Bank. As of the date hereof, the Land Bank owns 285 lots in the 2025 Project Area and the Developer owns the remaining 134 lots within the 2025 Project Area. See “BONDOWNERS’ RISKS - Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project Area” herein.

Development Finance Plan

The total land development costs associated with the 2025 Project Area are expected to be approximately \$___ million, consisting of the costs of the 2025 Project and other hard and soft costs. As of the date hereof, the Developer has spent approximately \$___ million toward land development activity associated with [the Development/the 2025 Project Area], a portion of which includes the 2025 Project. The net proceeds of the Series 2025 Bonds to be deposited into the Series 2025 Acquisition and Construction Account will be approximately \$8.21 million* and such proceeds will be used by the District towards the construction and/or acquisition of the 2025 Project and any additional moneys needed to complete the 2025 Project will be paid for by the Developer. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project Area” herein.

Development Plan / Status

Land development associated with the 2025 Project Area will occur in phases. The entire Development has been cleared and mass graded.

Phase Three. Phase Three of the Development is planned for 160 lots consisting of (i) 54 single family homes on forty-foot lots, (ii) 75 single family homes on fifty-foot lots, and (iii) 31 single family

* Preliminary, subject to change.

homes on sixty-five foot lots (“Phase Three”). Land development for Phase Three is complete. A final plat for the 160 lots within Phase Three was recorded on May 1, 2025.

Phase Four. Phase Four of the Development is planned for 259 lots, consisting of (i) 49 single family homes on forty-foot lots, (ii) 143 single family homes on fifty-foot lots, and (ii) 67 single family homes on sixty-five foot lots (“Phase Four”). Land development for Phase Four is expected to commence in January 2027 and is expected to be completed by August 2027. A final plat for the 259 planned lots within Phase Four is expected to be recorded by January 2027.

The Developer commenced marketing and vertical construction for the 2025 Project Area in May 2024. As of the date hereof, 1 residential units are under contract with homebuyers and vertical construction within the 2025 Project Area is expected to commence in September 2025. The Developer expects closings with homebuyers to commence in January 2026.

The Developer anticipates that 132 residential units will be sold to homebuyers per annum until buildout, which is expected by December 2030. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Environmental

A Phase I Environmental Site Assessment was prepared by Earth Tech Environmental, LLC, dated August 2022 (the “ESA”), covering the land in the Development. The ESA revealed no recognized environmental conditions in connection with the Development. See “BONDOWNERS’ RISK – Regulatory and Environmental Risks” herein for more information regarding potential environmental risks.

settled along a 30-acre lake (collectively, the “Amenity”). Construction of the Amenity is complete. The cost of the Amenity was approximately \$13 million, which was paid for with Developer equity. The Amenity will be owned and managed by the homeowners’ association of the Development and will be operated by the Developer’s affiliate, Del Webb Active Adult Communities.

Utilities

All will serve letters have been provided for utility services in connection with the Development. Potable water and wastewater treatment for the Development will be provided by Lee County and Florida Governmental Utility Authority, respectively. Electric power will be provided by Florida Power & Light.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments will initially be levied on the 160 platted lots within Phase Three and initially on the remaining 68.5+/- unplatted gross acres of land within Phase Four until such time as the remaining 259 planned lots within Phase Four are platted. As platting of the remaining 259 lots within Phase Four occurs, the Series 2025 Special Assessments will be assigned to such platted lots on a first-platted, first-assigned basis. A final plat for the 160 lots within Phase Three was recorded on May 1, 2025. Assuming that all of the 419 residential units within the 2025 Project Area are developed and platted, then the Series 2025 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

^{**} This amount is grossed up to include \$2.50 per parcel collection fee from the County Tax Collector, 1% service fee of the County Property Appraiser and 4% for early payment of taxes.

The District will continue levying assessments to cover its operation and maintenance costs that will be approximately \$394.22 per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to range from approximately \$4,541 to 4,816 per residential unit annually and a one-time amenity fee currently estimated to be approximately \$3,000 per residential unit; which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 14.4030 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Competition

The Developer has identified certain communities as being competitive with the Development, because of their proximity to the Development, price ranges and product types. These communities include Babcock Ranch, Coral Bay, Timber Creek, Brightwater, and Verandah.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

Pulte stock trades on the New York Stock Exchange under the symbol PHM. Pulte is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the “SEC”). Such filings, particularly Pulte’s annual and quarterly reports filed on Form 10-K and Form 10-Q, set forth certain data relative to the consolidated results of operations and financial position of Pulte and its subsidiaries as of such date. The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Pulte. The address of such Internet web site is www.sec.gov. All documents subsequently filed by Pulte pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in such manner as the SEC prescribes.

THE SERIES 2025 BONDS AND THE SERIES 2025 SPECIAL ASSESSMENTS DO NOT CONSTITUTE AN INDEBTEDNESS OF, AND ARE NOT GUARANTEED BY, THE DEVELOPER OR PULTE.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2025 Bonds in order that the interest on the Series 2025 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2025 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2025 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2025 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2025 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2025 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the status of interest on the Series 2025 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2025 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2025 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2025 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2025 Bonds, or the ownership or disposition of the Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2025 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2025 Bonds, (iii) the inclusion of the interest on the Series 2025 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2025 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2025 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or

other disposition of property such as the Series 2025 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2025 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2025 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2025 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2025 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2025 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable

in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2025 Bonds, adversely affect the market price or marketability of the Series 2025 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. On August 16, 2022, President Biden signed the Inflation Reduction Act of 2022 (H.R. 5376) into law. For tax years beginning after 2022, this legislation will impose a minimum tax of 15 percent on the adjusted financial statement income of applicable corporations as defined in Section 59(k) of the Code (which is primarily designed to impose a minimum tax on certain large corporations). For this purpose, adjusted financial statement income is not reduced for interest earned on tax-exempt obligations. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential consequences of owning the Series 2025 Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to “backup withholding” at the rates set forth in the Code, with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2025 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2025 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2025 Bonds does not purchase at least \$100,000 of the Series 2025 Bonds at the time of initial delivery of the Series 2025 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2025 Bonds the investor letter in the form attached to the Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2025 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Land Bank

The Developer

There is no litigation against the Developer of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2025 Project and the development of the lands within the District as described herein.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2025 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2025 Bonds.

NO RATING

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Barraco and Associates, Inc., Fort Myers, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Special District Services, Inc., Palm Beach Gardens, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2025 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E. The audited financial statements of the District for the Fiscal Year ended September 30, 2024 are included herewith as "APPENDIX F – DISTRICT'S FINANCIAL STATEMENTS." The consent of the District's auditor for the use of the financial statements herein has not been sought as the District's financial statements are publicly available documents. The District will also covenant in the Disclosure Agreement to provide the audited financial statements of the District for the Fiscal Year ending September 30, 2025 on EMMA by June 30, 2026.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District, the Land Bank and the Developer, each as an Obligated Person, will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule") the proposed form of which is set forth in APPENDIX E. The Disclosure Agreement is for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), to provide notice of certain events listed in the Disclosure Agreement and certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") to the MSRB through EMMA. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the Land Bank (while an Obligated Person as defined in the Disclosure Agreement) or the Developer (while an Obligated Person) to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), as applicable, to bring an action for specific performance.

The District has previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"), relating to the Series 2023 Bonds. During the past two years, the District has been in material compliance with such continuing disclosure obligations, however, the audited financial statements of the District for the fiscal year ended September 30, 2023 was filed two (2) days late. The District and the District Manager staff have committed to full compliance with its continuing disclosure undertakings going forward. The District appointed the District Manager to serve as the initial dissemination agent under the Disclosure Agreement.

Also, pursuant to the Disclosure Agreement, the Developer and the Land Bank will covenant to provide certain financial information and operating data relating to the Development, the Developer and the Land Bank, as applicable, on a quarterly basis. To each of the Developer's and Land Bank's knowledge, in the previous five years it has not failed to comply, in all material respects, with any previous undertakings in a written agreement entered into in connection with the Rule. See "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT."

FORM OF CONTINUING DISCLOSURE AGREEMENT

CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (this “Disclosure Agreement”) dated _____, 2025 is executed and delivered by the Del Webb Oak Creek Community Development District (the “Issuer” or the “District”), Pulte Home Company, LLC, a Michigan limited liability company (the “Developer”), VPPH Oak Creek LB LLC, a Delaware limited liability company (the “Land Bank”), and Special District Services, Inc., Palm Beach Gardens, Florida, as dissemination agent (together with its successors and assigns, the “Dissemination Agent”) in connection with the Issuer’s Special Assessment Bonds, Series 2025 (2025 Project Area) (the “Bonds”). The Issuer, the Developer, Land Bank and the Dissemination Agent covenant and agree as follows:

1. **Purpose of this Disclosure Agreement.** This Disclosure Agreement is being executed and delivered by the Issuer, the Developer, Land Bank and the Dissemination Agent for the benefit of the Beneficial Owners (as defined herein) of the Bonds and to assist the Participating Underwriter (as defined herein) of the Bonds in complying with the Rule (as defined herein). The Issuer, the Developer and the Land Bank have no reason to believe that this Disclosure Agreement does not satisfy the requirements of the Rule and the execution and delivery of this Disclosure Agreement is intended to comply with the Rule. To the extent it is later determined by a court of competent jurisdiction, a governmental regulatory agency, or an attorney specializing in federal securities law, that the Rule requires the Issuer, the Developer or the Land Bank to provide additional information, the Issuer, Developer and the Land Bank, as applicable, each agrees to promptly provide such additional information.

The provisions of this Disclosure Agreement are supplemental and in addition to the provisions of the Indenture with respect to reports, filings and notifications provided for therein, and do not in any way relieve the Issuer, the Trustee or any other person of any covenant, agreement or obligation under the Indenture (or remove any of the benefits thereof) nor shall anything herein prohibit the Issuer, the Trustee or any other person from making any reports, filings or notifications required by the Indenture or any applicable law.

2. **Definitions.** Capitalized terms not otherwise defined in this Disclosure Agreement shall have the meaning assigned in the Rule or, to the extent not in conflict with the Rule, in the Indenture. The following capitalized terms as used in this Disclosure Agreement shall have the following meanings:

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Series 2025 Bonds may be exchanged for an equal aggregate principal amount of Series 2025 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

SECTION 2.08. Appointment of Registrar and Paying Agent. The Issuer shall keep, at the designated corporate trust office of the Registrar, books (the “Bond Register”) for the registration, transfer and exchange of the Series 2025 Bonds, and hereby appoints U.S. Bank Trust Company, National Association, as its Registrar to keep such books and make such registrations, transfers, and exchanges as required hereby. U.S. Bank Trust Company, National Association hereby accepts its appointment as Registrar and its duties and responsibilities as Registrar hereunder. Registrations, transfers and exchanges shall be without charge to the Bondholder requesting such registration, transfer or exchange, but such Bondholder shall pay any taxes or other governmental charges on all registrations, transfers and exchanges.

The Issuer hereby appoints U.S. Bank Trust Company, National Association as Paying Agent for the Series 2025 Bonds. U.S. Bank Trust Company, National Association hereby accepts its appointment as Paying Agent and its duties and responsibilities as Paying Agent hereunder.

SECTION 2.09. Conditions Precedent to Issuance of the Series 2025 Bonds. In addition to complying with the requirements set forth in the Master Indenture in connection with the issuance of the Series 2025 Bonds, all the Series 2025 Bonds shall be executed by the Issuer for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the Issuer or upon its order, but only upon the further receipt by the Trustee of:

The Series 2025 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2025 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2025 Bonds are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2025 Bonds or portions of the Series 2025 Bonds to be redeemed pursuant to Section 8.04 of the Master Indenture. Partial redemptions of Series 2025 Bonds shall be made in such a manner that the remaining Series 2025 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2025 Bond.

The Series 2025 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2025 Bonds shall be made on the dates specified below.

(a) Optional Redemption. The Series 2025 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after November 1, 20XX (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (taking into account the credit from the Series 2025 Reserve Account pursuant to Section 4.05 of this Second Supplemental Indenture) following the payment in whole or in part of the Series 2025 Special Assessments on any assessable property within the 2025 Project Area within the District in accordance with the provisions of Section 4.05 of this Second Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2025 Rebate Fund, the Series 2025 Costs of Issuance Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the 2025 Project (including any amounts transferred from the Series 2025 Reserve Account) all of which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

SECTION 3.02. Notice of Redemption. When required to redeem Series 2025 Bonds under any provision of this Second Supplemental Indenture or directed to redeem Series 2025 Bonds by the Issuer, the Trustee shall give or cause to be given to Owners of the Series 2025 Bonds to be redeemed, notice of the redemption, as set forth in Article VIII of the Master Indenture.

REMOVAL OF SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2025 Acquisition and Construction Account.” Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in Section 2.06 of this Second Supplemental Indenture, together with any other moneys that may be transferred to the Series 2025 Acquisition and Construction Account as provided for herein. Such moneys in the Series 2025 Acquisition and Construction Account shall be disbursed by the Trustee as set forth in Section 5.01 of the Master Indenture, and this Section 4.01(a), and upon disbursement, the Issuer shall apply such moneys as provided for herein and in the Acquisition Agreement. Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2025 Acquisition and Construction Account after the Completion Date and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions #1 and Release Conditions #2 upon notice of the same given by the Developer to the District Manager and the Trustee, except for any moneys reserved therein for the payment of any costs of the Assessment Area Three Project owed but not yet requisitioned, as evidenced in a certificate from the District Manager to the Trustee and the Issuer, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the Assessment Area Three Project, a copy of which shall be delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2025 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions #1 and Release Conditions #2. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2025 Acquisition and Construction Account and make payment to the Person or Persons so designated in such requisition. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2025 Costs of Issuance Account.” Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Costs of Issuance Account in the amount set forth in Section 2.06 of this Second Supplemental Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2025 Costs of Issuance Account to pay the costs of issuing the Series 2025 Bonds. Six months after the issuance of the Series 2025 Bonds, any moneys remaining in the Series 2025 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2025 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2025 Bonds shall be paid from excess Series 2025 Pledged Revenues on deposit in the Series 2025 Revenue Account in accordance with Section 4.02 SEVENTH. When there are no further moneys therein, the Series 2025 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2025 Revenue Account.” Series 2025 Special Assessments (except for Prepayments of Series 2025 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this Second Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2025 Principal Account.” Moneys shall be deposited into the Series 2025 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2025 Interest Account.” Moneys deposited into the Series 2025 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this Second Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2025 Sinking Fund Account.” Moneys shall be deposited into the Series 2025 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this Second Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this Second Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2025 Reserve Account.” Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Reserve Account in the amount set forth in Section 2.06 of this Second Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2025 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this Second Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings to be transferred to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the 2025 Project Area within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions #1 or Release Conditions #2, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" submitted to the Issuer by the Developer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions ("Unfunded Requisition"). In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2 as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to either twenty-five percent (25%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1 or ten percent (10%) upon satisfaction of Release Conditions #2 of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of satisfaction of Release Conditions #1 or Release Conditions #2 shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of this Second Supplemental Indenture, the District Manager, on behalf of the Issuer, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the “Series 2025 Bond Redemption Account” and within such Account, a “Series 2025 General Redemption Subaccount,” a “Series 2025 Optional Redemption Subaccount,” and a “Series 2025 Prepayment Subaccount.” Except as otherwise provided in this Second Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2025 Bonds, moneys to be deposited into the Series 2025 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2025 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (including all earnings on investments held in such Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2025 Bonds equal to the amount of money transferred to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2025 Rebate Fund designated as the “Series 2025 Rebate Fund.” Moneys shall be deposited into the Series 2025 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2025 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2025 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2025 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 202X, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2025 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2025 Bonds, to execute and deliver the Indenture and to pledge the Series 2025 Pledged Revenues for the benefit of the Series 2025 Bonds to the extent set forth herein. The Series 2025 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2025 Bonds, except as otherwise permitted under the Master Indenture. The Series 2025 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights

of the Owners of the Series 2025 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2025 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2025 Bonds, the Issuer will promptly proceed to construct or acquire the 2025 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Special Assessment Liens.

(a) At any time any owner of property subject to the Series 2025 Special Assessments may, at its option, or as a result of acceleration of the Series 2025 Special Assessments because of non-payment thereof or as a result of true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2025 Special Assessment, which shall constitute Series 2025 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2025 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2025 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting redemption of the Series 2025 Bonds in accordance with Section 3.01(b)(i) of this Second Supplemental Indenture, the excess amount shall be transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account as a credit against the Series 2025 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager on behalf of the Issuer upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2025 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2025 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2025 Bonds, there will be sufficient Series 2025 Pledged Revenues to pay the principal and interest, when due, on all Series 2025 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2025 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2025 Special Assessment has been paid in whole or in part and that such Series 2025 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2025 Prepayment Principal. The District Manager, on behalf of the Issuer, shall calculate the amount available for extraordinary mandatory redemption of the Series 2025 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and will withdraw money from the Series 2025 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a)

hereof. No credit shall be given if as a result the applicable Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2025 Revenue Account to round-up to the next nearest integral multiple of \$5,000 and deposit such amount into the Series 2025 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2025 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

ARTICLE V

COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2025 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2025 Special Assessments relating to the acquisition and construction of the 2025 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197.3632, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2025 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise or the timing for using the Uniform Method will not yet allow for using such method. In addition, and not in limitation of, the covenants contained elsewhere in this Second Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2025 Special Assessments, and to levy the Series 2025 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2025 Bonds when due. All Series 2025 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2025 Accounts and subaccounts therein created hereunder.

Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of
